

- Today I release words of faith into the earth, spiritual seeds that bring both a spiritual harvest and a natural physical manifestation into my life.
- I declare that I step into a week of access and enlargement, the lines are indeed fallen to me in pleasant places and I have a goodly heritage. I pray over every meeting, conversation and activity I engage in this week, that all my steps are ordered of the Lord and my heart and my mind always respond in obedience to His directions.
- I enjoy increased Grace and speed for accomplishment; I am enlarged and flourishing on all sides.
- I pull down strongholds and cast down vain imaginations and every high thing that lifts itself against the knowledge of God. My thoughts are now subject to the lordship of Christ and so I access divine wisdom and physically birth spiritual realities.
- I call in the resources needed for fulfilling God's plan for my life, and I command that they come to me without delay, in the name of Jesus.
- In this our 5th year, we declare that our property needs are settled; our father who owns the heavens and the earth has gone ahead to make a way for our enlargement and expansion. We prosper in all things and produce ministry gifts and leaders to further the work.
- I am healed and Spirit filled; sickness and disease are far from me and I overrule every directive or mandate that opposes God's will for my life, ministry, and family. I lift false burdens and remove feelings of heaviness, oppression, and depression. I cast them upon the Lord who sustains me. I shall not be moved.
- Father, I honor and thank you for my Pastors and leadership; I receive a fresh Word from heaven in this service as spiritual food, and decree that I am blessed and filled with faith as a result.
- Never again will I lack God's favour, It rests richly on me and abounds profusely in me; I am a part of the generation that is experiencing God's favour immeasurably, limitlessly, and surpassingly.
- Over One Church, I decree that our hearts are united in caring for one another, we are built up in love and none of us is lost to the enemy. We reap a harvest of souls, we grow DEEPER in our relationship with Christ and we commit ourselves to maturing as believers.
